Objective To develop my web design and development skills under the mentorship of a team oriented design firm.

Experience

<i>HBX Control Systems Inc.</i> Multimedia Developer April 2007 - October 2008	<i>Summit Design & Productions</i> Sole Proprietor February 2006 - Present
I personally developed the HBX identity in both print and web formats. To date the HBX Controls web site is the most complex I've ever coded.	Designed and implemented web sites, flash presentations, and corporate identities for small companies in and around the Calgary area.

Education

Southern Alberta Institute of Technology
New Media Production and Design
I began the course in the fall of 2005 and graduated with honours in April of 2007.

Foothills Composite High School / Alberta High School of Fine Arts
Graduated with a focus on Communication Technology and Computer Sciences.
